## YOU CAN MAKE A DIFFERENCE

Each year the incidents and intensity of domestic violence escalates to higher levels than the year before. The national average is every 9 seconds a woman or child is abused or battered. It also happens in the tri-county area of Hart, Franklin, and Elbert counties. The N.E. Ga. Council on Domestic Violence has established a safe shelter where these victims can find refuge and rebuild their lives.

All of the net proceeds from this race will go directly toward the operation of “Heart Haven” shelter for battered women.
