What Sertoma does...

The Watauga Sertoma Club (SERvice TO MAnkind) is the only civic service club in the city and we have focused on working with the four public schools which are all designated as Title I facilities with over 50% of the students from low income families. We adopted this mission when we learned school nurses and teachers were dipping into their own pockets, out of compassion, to take care of some critical needs of the kids; thus:

Our signature project is "Shoes For Kids;" for some activities, such as physical education, students are required to have special shoes, which some families can not afford, in order to participate. We provide the school nurses with gift cards for the Watauga Payless Shoesource which are given to the kids so they have the means to be fully engaged in the life of the school. We also fund a stock of basic clothing items for emergencies; kids get sick, kids soil themselves; there is no one at home to respond to these needs. Then, there are the unexpected needs; a little girl needing glasses, two girls with hearing deficits; Sertoma serves.
