To graduating seniors of Tallmadge High School
Desiring to “make a difference” in our world.

The Teresa Conti Memorial Scholarship is awarded to Tallmadge High School seniors continuing their education at an accredited four-year institution in a full time capacity. The recipients should demonstrate they are capable of succeeding in their educational pursuit by academic achievement and that this scholarship will help them in their endeavors. Scholarships are awarded to members of the graduating class.

The spirit of this scholarship is set forth in the following statement from Teresa’s parents:

We believe that education is the beginning of achieving your life’s goals and meeting life’s challenges. College is an opportunity for personal growth so that a young person can make positive contributions to our world. This scholarship is intended to encourage students who have demonstrated the capacity to achieve educational and personal goals, the motivation to achieve these goals, and the initiative to seek opportunities to “make a difference” in our world.

Teresa had all the ingredients to become a caring and successful contributor to our world - if only she had been allowed the time.
